

1. SACRED RESONANCE – TOMORROW AT 6:30PM WITH KELLYN CAMACARO

- In a world filled with noise and constant motion, **Sacred Resonance** invites you to gently unplug from the outside and reconnect with the stillness within. Through sound, intention, and breath, you'll be held in a space that honors the sensations of the body, the whispers of the soul, and the sacred that lives within us all.
- Together, we'll soften the mind's chatter, open the heart, and remember the peace that is always available inside.
